

KFCA Elected Council 2020

Purpose

The purpose of developing an Elected Council for the Kentucky Football Coaches Association is predicated on being a voice for Kentucky High School Football Coaches, elected by the coaches. The KFCA Elected Council is intended to be a separate entity from the KFCA Regional Board of Representatives.

Composition

This Elected Council will consist of an elected 12 head football coaches in the state and one advisor (non-voting), that will be a retired/former head coach, appointed by the KFCA President. There will be two head coaches from each classification, one from the West (Districts 1-4) and East (Districts 5-8). There will be no rankings among these 12 voted members but they will be a committee that will be the voice of Kentucky high school football. In the event that none of the 12 elected are African-American, the KFCA President will work with the African-American coaches in the state to appoint a 13th member of the Council who is an African-American Head Football Coach.

Once the 12 (13) members have been voted in, the 12 (13) council members will vote for an Elected Council Chairman that is on the elected committee. The 12 (13) will also elect a Secretary who will keep minutes of each meeting.

Eligibility

To be elected to the Elected Council, you must be a head football coach at a KHSAA member school and a KFCA member. You may nominate yourself or be nominated by another KY HS head football coach.

Terms of Office

The term will be a four year term that will be in alignment with the redistricting of the KHSAA. Your term could end early in the event of resignation and/or termination from your head coaching position, or if a midterm alignment adjustment takes you out of the classification or

districts you currently represent. Lastly, you may serve back to back terms but not three. (Max of 8 years, consecutively).

Voting

Voting will occur electronically on a form via email sent from the Executive Director, President and/or Representative of the KFCA. The head football coaches will vote for one council member within their class (1A-6A) and their districts (East/West). Coaches can nominate themselves or another coach in their respective districts as long as they are willing to serve on the Elected Council. *For example: All head football coaches in Class 1A, Districts 1 through 4 will be voting on the head football coach they want to be on the committee from their districts.*

Duties of the Elected Council

- **Be a positive and influential voice of Kentucky High School Football and what is best for your respective districts/class.**
- **Communicate with the head football coaches in your respective districts and classification.**
- **Council members should want to represent what is best for KHSAA, KFCA, and Kentucky High School Football.**
- **The Elected Council will have a meeting two or three times a year (Winter/Spring/Summer) to discuss any issues, concerns or ideas for the previous and upcoming season.**
